5 Days to Tell TSA: REAL ID is Unconstitutional

You have just 5 more days to act to stop a China-like social credit plan to put you under lock and key. The unconstitutional 2005 federal REAL ID law was shut down by the states until Obama resurrected it in 2016 with the “you can’t fly” lie. State legislators asked Trump to shut it down, but Homeland Security probably hid those letters.

TSA wants to begin progressively painful enforcement next May. They want you to submit or suffer. Please speak up. Go to CCHFreedom.org to find the link. Tell TSA REAL ID is unconstitutional. The deadline is Oct 15. Go to CCHFreedom.org.
