## **Bill Gates to Stand for Trial in the Netherlands**

A Netherlands court ruled on October 16 that Bill Gates can stand trial in a case involving seven people injured by the Covid shot. The Dutch state and Albert Bourla, the CEO of Pfizer, are also on trial. The plaintiffs allege that Bill Gates, through his representatives, misled them about the safety of the Covid shots despite knowing “that these injections were not safe and effective.” One of the plaintiffs has since died.

Gates' attorneys argued that the court had no jurisdiction over him because he lives in the United States. Interestingly, the CEO of Pfizer did not challenge the court's jurisdiction. The hearing is scheduled for November 27<sup>th</sup>. The next day is Thanksgiving. Will it be Thanksgiving for Bill Gates? Stay tuned.
